About the Demographics Dashboard

The Demographics Dashboard displays data on the population, demographics and HRSA programs.

On this dashboard, you can:

- View summaries on the state demographics and composition of the population
- View the total awarded grant amount for HRSA key programs areas by state and county
- View which counties have the most families under two times the U.S. poverty line
- Compare HRSA awarded grants and demographics between states and counties

Dashboard Data Download Source Files and Metadata: [CSV](#) | [XLSX](#) | [Metadata](#)

Note: The dashboard data is updated daily, except for the data on race, gender and age.
