About the Federal Tort Claims Act Search Tool

The Federal Tort Claims Act Search Tool displays recipients of Health Center Program grant funding that have been deemed as Public Health Service (PHS) employees.

With this tool, you can:

- View Health Centers/ entities that are deemed as PHS employees
- View additional information on the Health Centers/ entities (such as: location, program director name and contact information, grant number and deeming start and end dates)
- Filter the data by state, city, entity name, the Bureau of Primary Health Care (BHCMI) ID, entity type, and deeming start and end date

Data Download Source File Instructions:

1. Click anywhere within the Federal Tort Claims Act Search Tool
2. Navigate to the bottom of the tool to locate the Download button; click Download  Download
3. On the menu option screen, click Crosstab
4. On the menu option screen, click Download

Note: The data is updated daily.
