

About the Health Center COVID-19 Vaccinations

Using data from the [Health Center COVID-19 Survey](#), this dashboard provides a high-level cumulative view of COVID-19 vaccinations nationally; by state, territory, and freely associated state; dose type; and among patients identified as racial and ethnic minorities. The dashboard provides two views:

- **Total Vaccination (All Sources):** Cumulative data on vaccinations administered through the Health Center COVID-19 Vaccine Program and from allocations that health centers receive from state and local health departments, as well as health center patients vaccinated through other means. (Survey data from January 1, 2021, to current.)
- **Health Center COVID-19 Vaccine Program (Federal Allocation Only):** Cumulative data on vaccinations administered from allocations through the Health Center COVID-19 Vaccine Program only. (Survey data from February 26, 2021, to current.)

On this dashboard, you can view:

- Total vaccinations (all sources) nationally.
- Percentage of vaccinations (all sources) among patients identified as racial and ethnic minorities nationally, of patients with known race and ethnicity.
- Total vaccinations (all sources) by state, territory or freely associated state.
- Percentage of vaccinations (all sources) among patients identified as racial and ethnic minorities by state, territory, or freely associated state.
- Total vaccinations administered from Health Center COVID-19 Vaccine Program federal allocations nationally.
- Percentage of Health Center COVID-19 Vaccine Program vaccinations among patients identified as racial and ethnic minorities nationally.
- Total Health Center COVID-19 Vaccine Program vaccinations by state, territory or freely associated state.
- Number and percentage of COVID-19 vaccinations initiated in patients.
- Number and percentage of COVID-19 vaccinations completed in patients.
- Number and percentage of COVID-19 vaccine additional doses completed in patients.
- Vaccinations by vaccination dose type and/or survey date selection.

The dashboard is updated **every two weeks** using data from [Health Center COVID-19 Survey](#) questions:

- By race and ethnicity, how many **patients have initiated** (1st of two doses received) their COVID-19 immunization series in the last two weeks?
- By race and ethnicity, how many **patients have completed** (2nd, or only, dose received) their COVID-19 immunization series in the last two weeks?
- By race and ethnicity, how many patients have received an additional dose of the COVID-19 vaccine in the last two weeks?
- By race and ethnicity, how many **patients have initiated** (1st of two doses received) their COVID-19 immunization series in the last two weeks **from vaccines allocated under the Health Center COVID-19 Vaccine Program?**

- By race and ethnicity, **how many patients have completed** (2nd, or only, dose received) their COVID-19 immunization series in the last two weeks **from vaccines allocated under the Health Center COVID-19 Vaccine Program**?
- By race and ethnicity, how many patients have received an additional dose of the COVID-19 vaccine in the last two weeks from vaccines allocated under the Health Center COVID-19 Vaccine Program?

Also see a dashboard on [COVID-19 testing](#) by race and ethnicity.
