About the Medically Underserved Areas/Populations (MUA/P) Dashboard

The Medically Underserved Areas/Populations (MUA/P) Dashboard displays data on the shortage of primary health care services in geographic areas and specific populations throughout the U.S.

On this dashboard, you can:

- View a national and state summary of the number of designations and populations in MUA/P and Governor's Exceptions shortage areas
- View the number of MUA/Ps shortage designations by type or rural status
- View detailed information on each MUA/P by filtering the data
