## About the Program Applicant Dashboards

The BHW Program Applicant Dashboards are interactive Tableau Dashboards which capture the total number of National Health Service Corps (NHSC) and Nurse Corps (NC) eligible applicants and awardees during the 2020 and 2021 Fiscal Years. There are four dashboard tabs that comprise the Field Strength Dashboards: **Program Applicant Information**, **Program Applicant Site Location by State**, **Program Applicant Site Location by County**, and the **Program Applicant Site Location by Congressional District**.

The **Program Applicant Information Dashboard** displays aggregate provider type, discipline, and demographic information for the submitted eligible and awarded applicants for a given fiscal year. The following programs are included:

- NHSC Loan Repayment Program (NHSC LRP)
- NHSC Rural Community Loan Repayment Program (NHSC RC LRP)
- NHSC Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD LRP)
- NHSC Scholarship Program (NHSC SP)
- NC Loan Repayment Program (NCLRP)
- NC Scholarship Program (NCSP)
- NHSC Student to Service Loan Repayment Program (NHSC S2S LRP)

The **Program Applicant Site Location by State**, **Program Applicant Site Location by County\***, and **Program Applicant Site Location by Congressional District Dashboards** display site location information for submitted eligible and awarded applicants. This includes a geospatial view of site locations at the state, county, and congressional district levels, as well as site type, site HPSA score, and rural status information. The following programs are included:

- NHSC Loan Repayment Program (NHSC LRP)
- NHSC Rural Community Loan Repayment Program (NHSC RC LRP)
- NHSC Substance Use Disorder Workforce Loan Repayment Program (NHSC SUD LRP)
- NC Loan Repayment Program (NCLRP)

\*The Site Location by County Dashboard displays a number of Null values for Applicants and Awardees due to a geocoding issue. This issue is being addressed and the dashboard will be updated as soon as a resolution has been implemented.

### Inclusion Criteria

*Submitted-Eligible Applicants:* Not every application submitted is considered eligible for review. This dashboard displays only those applications submitted and deemed eligible for review by the system at the point of submission. Submitted-eligible applications then move to the review stage, where their eligibility is fully reviewed and determined.

**On these dashboards, you can:**

- View demographic, discipline, provider type, and site location data for NHSC and NC program applicants and awardees
- Analyze results for specific subsets of the data by filtering on fiscal year, program, and site location attributes
- Analyze the applicant and awardee landscape at the state, county, and congressional district level
