HRSA      [Top](#)

Step 1: Select a Data Source Topic

- Selecting one Data Source Topic from the Data Source dropdown menu is required in order to continue
- Users choose the main Data Source to begin their query

Example:

The screenshot shows a web interface titled "View Data Sources". Below the title is a sub-header "Data Source" and a dropdown menu. The dropdown menu is open, showing a list of options. The option "Demographics" is highlighted in a dark grey bar. Other options include "Health Care Facilities (CMS)", "Health Center Program Sites", "Health Professional Shortage Areas (HPSAs)", "HRSA Grants", "Medically Underserved Areas/Populations (MUA/P)", "National Health Service Corps (NHSC) Sites", "Organ Donation and Transplantation", and "Ryan White HIV/AIDS Recipients and Sub-Recipients".

View Data Sources

Select a data source topic from the list. Associated data categories will become available after a selection is made.

Data Source

- Select -

- Select -

Demographics

Health Care Facilities (CMS)

Health Center Program Sites

Health Professional Shortage Areas (HPSAs)

HRSA Grants

Medically Underserved Areas/Populations (MUA/P)

National Health Service Corps (NHSC) Sites

Organ Donation and Transplantation

Ryan White HIV/AIDS Recipients and Sub-Recipients

Step 2A: Refined Selection

For data sources such as Demographics and Health Center Program Sites, you will need to refine your data selection source from sub options.

View Data Sources

Select a data source topic from the list. Associated data categories will become available after a selection is made.

Data Source

Demographics 

Hover over the tool tip next to the drop down to learn more about the data set.

Refine Selection

- Select -

Refine data selection source from sub options.

Geography Type

- Select -

Further refine data selection source by geography type.

View Data

View Data Sources

Select a data source topic from the list. Associated data categories will become available after a selection is made.

Data Source

Health Center Program Sites 

Hover over the tool tip next to the drop down to learn more about the data set.

Refine Selection

- Select -

Refine data selection source from sub options.

Associate Data (Optional)

- Select -

Associated data displays with a  on each row where applicable to the primary Data Source. Click the icon  to view associated data.

View Data

Step 2A1: Select Geography or Associate Data

- The Geography Type selection is displayed when a Demographics data source is selected in Step 1 and a refined selection was made in Step 2A. Under the Geography Type, a mandatory “County” or “State” selection is required in order to view the Demographics data at the desired geographic level.

View Data Sources

Select a data source topic from the list. Associated data categories will become available after a selection is made.

Data Source

 ⓘ

Hover over the tool tip next to the drop down to learn more about the data set.

Refine Selection

 ⓘ

Refine data selection source from sub options.

Geography Type

- Select -
- County
- State

- The Associate Data selection is displayed when the Health Center Program Sites data source is selected in Step 1 and a refined selection was made in Step 2A. Unlike the Geography Type, it is optional to select an Associate Data. You could either select the “View Data” button directly or select an Associate Data.

View Data Sources

Select a data source topic from the list. Associated data categories will become available after a selection is made.

Data Source

 ⓘ

Hover over the tool tip next to the drop down to learn more about the data set.

Refine Selection

 ⓘ

Refine data selection source from sub options.

Associate Data (Optional)

- Select -
- Health Professional Shortage Areas (HPSAs)
- HRSA Grants
- Medically Underserved Areas/Populations (MUA/P)
- National Health Service Corps (NHSC) Sites

View Data

- Select the “View Data” button to view data results that correspond to the Data Source selections in Step 1 and Step 2

Step 2B: Select Associated Data (Optional)

- “Associated Data (Optional)” is displayed when any Data Source (other than Demographics) is selected in Step 1

Example:

The screenshot shows a web interface titled "View Data Sources". Below the title is a dropdown menu for "Data Source" with "Health Professional Shortage Areas (HPSAs)" selected. Below this is a section titled "Associate Data (Optional)" with a dropdown menu currently set to "- Select -". A red arrow points to this dropdown menu. The dropdown menu is open, showing a list of options: "- Select -", "Health Care Facilities (CMS)", "HRSA Grants", "Medically Underserved Areas/Populations (MUA/P)", "National Health Service Corps (NHSC) Sites", "Ryan White HIV/AIDS Recipients and Sub-Recipients", "All Health Center Sites", "Service Delivery Sites", "Look-Alike Service Delivery Sites", "Administrative Sites", and "Look-Alike Administrative Sites".

- Selecting “Associated Data” is optional; therefore, users are not required to select a second data source and can instead select the “View Data” button to view data results that correspond to the Data Source selections in Step 1

OR

- Users can select the dropdown arrow “Optional Step 2 - Select Associated Data” to display the data associated with the “Health Professional Shortage Areas (HPSAs)” data source selected in Step 1 of this Example, and then Select the “View Data” button to view data results

View Data Sources

Select a data source topic from the list. Associated data categories will become available after a selection is made.

Data Source

Health Professional Shortage Areas (HPSAs) ⓘ

Table Functionalities

Show/Hide Columns

Data Explorer updates dynamically when columns are added/removed by selecting “Show/Hide Columns” option and checking/unchecking column names.

By selecting Show/Hide Columns, users can select columns that they would like to add/remove from the data results page by checking/unchecking column names.

The screenshot shows the HRSA Data Explorer interface. At the top, there are tabs for 'SELECTED DATA SOURCE' (Health Professional Shortage Areas (HPSAs)) and 'SELECTED ASSOCIATED DATA' (All Health Center Sites). A 'Copy Link to Data Selection' button is visible. Below the tabs, it indicates 'Showing 1 - 25 of 39,200 results' and a 'Show 25 results per page' dropdown. A red box highlights the 'Show/Hide Columns' button. The main table has columns: HPSA Name, HPSA ID, Designation Type, HPSA Discipline Class, HPSA Score, PC MCTA Score, State, and HPSA Status. The table lists several HPSAs, including St. Thomas/Water Island District, St. Croix County, St. John Island, and various Federally Qualified Health Centers.

HPSA Name	HPSA ID	Designation Type	HPSA Discipline Class	HPSA Score	PC MCTA Score	State	HPSA Status
St. Thomas/Water Island District	7785626536	High Needs Geographic HPSA	Mental Health	14.00	NA	VI	Withdrawn
St. Croix County	7784893094	High Needs Geographic HPSA	Mental Health	18.00	NA	VI	Designated
St. John Island	778020	Geographic HPSA	Mental Health	8.00	NA	VI	Withdrawn
Community Health Foundation Of Puerto Rico Inc.	7729997248	Federally Qualified Health Center Look A Like	Mental Health	20.00	NA	PR	Withdrawn
Corporacion De Salud Asegurada Por Nuestra Organizacin Solidaria, Inc. (S.A.N.O.S.)	772999724A	Federally Qualified Health Center	Mental Health	13.00	NA	PR	Designated
HPM Foundation, Inc.	7729997247	Federally Qualified Health Center	Mental Health	19.00	NA	PR	Designated
Concilio De Salud Integral De Loiza, Inc.	7729997246	Federally Qualified Health Center	Mental Health	22.00	NA	PR	Designated
Toa Alta Comprehensive Urban/Rural Advanced Health	7729997245	Federally Qualified Health Center	Mental Health	0.00	NA	PR	Withdrawn
Neomed Center, Inc.	7729997244	Federally Qualified Health Center	Mental Health	21.00	NA	PR	Designated

The screenshot shows the 'Show/Hide Table Columns' dialog box. It is divided into two sections: 'Data Source Columns' and 'Associated Data Columns'. Each section has a 'Select/Unselect All' button. The 'Data Source Columns' section includes checkboxes for HPSA Name, HPSA ID, Designation Type, HPSA Discipline Class, HPSA Score, PC MCTA Score, State, and HPSA Status. The 'Associated Data Columns' section includes checkboxes for Site Name, Services Delivered at Site, Health Center Type, Health Center Location Type, Health Center Location Address, County, State, Grant #, HPSA ID, and HPSA Assigned #. There are also checkboxes for Metropolitan Indicator, HPSA Population Type, HPSA Degree of Shortage, HPSA FTE, # of FTE Short, HPSA Designation Type, % of Population Below 50% Poverty, HPSA Formal Ratio, Address, City, ZIP, HPSA Region, U.S. Senator Name (I), U.S. Senator Name (O), U.S. Congressional Representative Name, In U.S.-Mex. Border 100 KM Area, In U.S.-Mex. Border County, In U.S.-Mex. Border 100 KM Area, Cong. District, Longitude, Latitude, and County. 'Cancel' and 'Save Changes' buttons are at the bottom.

Data Columns section – Represents columns from the Data Source selected in Step1

Associated Data Columns – Represents columns from the Data Source selected in Step2

Select/Unselect All Data Columns – Will check all columns for the Data Source and

display on the screen as shown below

Click “Copy Link to Data Selection” to copy the link to your specified data selection to the clipboard.

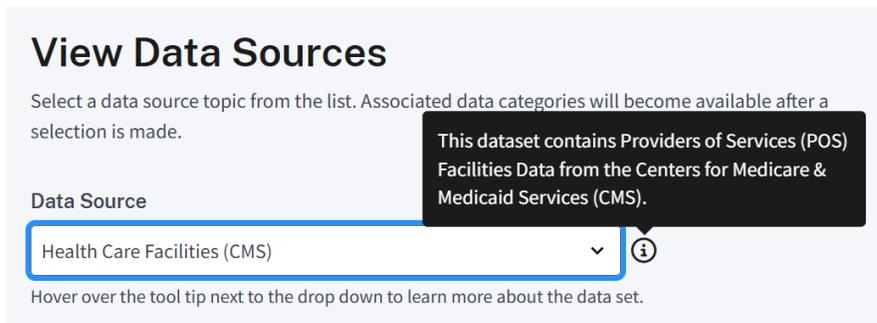

The screenshot shows a data selection interface. At the top, there are two sections: "SELECTED DATA SOURCE" with the value "Health Professional Shortage Areas (HPSAs)" and "SELECTED ASSOCIATED DATA" with the value "None". To the right of these is a link "Change Data Selections" and a button "Copy Link to Data Selection" which is highlighted with a red arrow. Below this, there is a status bar showing "Showing 1 - 25 of 39,200 results" and a dropdown menu set to "25" results per page. On the right side of the status bar, there are two buttons: "Show/Hide Columns" and "Export Data".

After clicking the button, a success message will appear:

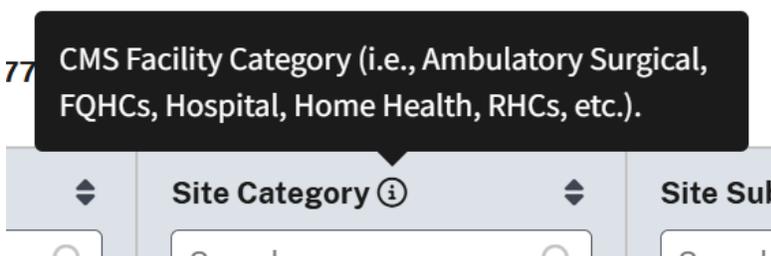

Information Icon

For further information on the data source, hover over the information icon after making a data source selection for a brief description of the data source.

The screenshot shows the "View Data Sources" section. It has a heading "View Data Sources" and a sub-heading "Select a data source topic from the list. Associated data categories will become available after a selection is made." Below this is a "Data Source" dropdown menu with the selected option "Health Care Facilities (CMS)". To the right of the dropdown is an information icon (i). A tooltip is displayed over the information icon, containing the text: "This dataset contains Providers of Services (POS) Facilities Data from the Centers for Medicare & Medicaid Services (CMS)." Below the dropdown menu, there is a note: "Hover over the tool tip next to the drop down to learn more about the data set."

Similarly, you can hover over the information icon on the columns of the data set to gain better understanding of the different data points.

The screenshot shows a data table column header "Site Category" with an information icon (i). A tooltip is displayed over the information icon, containing the text: "CMS Facility Category (i.e., Ambulatory Surgical, FQHCs, Hospital, Home Health, RHCs, etc.)." The table also shows a "Site Sub" column header.
