Optional Step 2: Select Associated Data

- “Optional Step 2 - Select Associated Data” is displayed when any Data Source (other than Demographics) is selected in Step 1; then the mandatory “County” or “State” selection is not required

Example:

The screenshot shows a web application interface for data exploration. On the left, under the heading "Step 1- Select a Data Source", there is a list of data sources with radio buttons. "HRSA Grants" is selected. A red arrow points from this selection to the right. On the right, under the heading "Optional Step 2- Select Associated Data", there is a dropdown menu with a list of associated data sources. The dropdown is open, showing options like "Administrative Sites", "All Health Center Sites", "Health Professional Shortage Areas (HPSAs)", "Medically Underserved Areas/Populations (MUA/P)", "National Health Service Corps (NHSC) Job Opportunities", "National Health Service Corps (NHSC) Sites", and "Service Delivery Sites". A "View Data" button is visible at the bottom right of the interface.
